It is a requirement for all Under 9 to Under 19 Biathletes to have at least one official / aide per family.

The following exemptions apply:

- Families with Under 8 Biathletes only and affiliated for their first season
- Families where at least one of the parents/guardians participates as a biathlete at the event
- Biathletes without parents/guardians in attendance from Schools outside the Metro being transported to events by the School
- Senior Biathletes
- A Family new to the sport, for their first two events only
- Any person who receives exemption from the Chairman after making written application. This will be in exceptional cases only.

The above does not prevent any other person to volunteer his/her services. The following assistance is required at events (most are described in our Technical Rules):

Track

Notes.

- Without officials, there is no Biathlon.
- All officials who have assisted during the previous three seasons are from within EP Biathlon.
- We learn at the events. Inexperienced officials in key positions will be placed with experienced officials in order to learn and gain confidence.

Please tick at least two positions at each of the venues. It will assist the event management in slotting officials as soon as possible after the registration closes prior to the start of the event.

I,, Parent/Guardian of
, hereby declare that I have read
 and understand the officiating requirements.
